

On Your Special Day

...red breast it is familiar
...hout the year and
...ially at Christmas! Males
...females look identical, and
...g birds have no red breast
...are spotted with golden
...n. Robins sing nearly all
...round and despite their
...appearance, they are
...ssively territorial and are
...to drive away intruders.
...will sing at night next to
...lights. The UK's favourite
...with its bright red breast it
...miliar throughout the year
...especially at Christmas!
...s and females look
...ical, and young birds have
...d breast and are spotted
...golden brown. Robins sing
...y all year round and
...te their cute appearance,
...are aggressively territorial!
...are quick to drive away
...ers. They will sing at night
...to street lights. The UK's
...rite bird - with its bright
...breast it is fam
...ghout the year
...ially at Christmas!
...females look id
...g birds have
...the UK's fa
...bright red breast
...throughout the
