

# For the love of... *Stamps*

by Hunkydory

## Poppy Stamping Guide

Follow the guide below to build your own Layering Poppy.  
We've included some colour suggestions from our Prism Ink Pad range.

Some layers use the **Ink Layering Technique** to create a subtle colour change.  
Simply stamp one layer in a colour and then stamp the next layer with the same colour.  
The ink layers to create a slightly darker colour.

**Layer 1**  
Fire Coral

**Layer 2**  
Fire Coral  
(Ink Layering Technique)

**Layer 3**  
Red Brick

**Layer 4**
