

# For the love of... *Stamps*

by Hunkydory

## Primrose Stamping Guide

Follow the guide below to build your own Layering Primrose.  
We've included some colour suggestions from our Prism Ink Pad range.

Some layers use the **Ink Layering Technique** to create a subtle colour change. Simply stamp one layer in a colour and then stamp the next layer with the same colour. The ink layers to create a slightly darker colour.

**Layer 1**  
Arctic Mist

**Layer 2**  
Periwinkle

**Layer 3**  
Periwinkle  
(Ink Layering Technique)

**Layer 4**  
Nautical Blue  
(Ink Layering Technique)
